BEN FURNEY FLOUR MILLS PTY LTD

PRODUCT SPECIFICATION

Product Name: Clean Wheat

Code: **GR-CLWH25 / GR-CLWH1000**

General Description:

Free flowing cleaned and graded wheat grains, free of agglomeration and foreign material. This product is a natural raw material where appearance and nutritional information can vary due to grain variety, growing conditions and seasonal influence.

Ingredient:

Wheat (Triticum aestivum)

Contains Wheat, Gluten

Product Characteristics:

Cleaned and graded, as applied to the general appearance of whole grains, shall mean that the grains are generally uniform in size and are practically free from such damaged or defective grains and foreign material that can be removed readily by standard grain processing equipment and processes.

Typical Chemical Properties:

Moisture 14% maximum

Protein (as is basis) Actual level not specified

| calculators. As this product is a natural raw material, actual results may differ from that listed due to grain variety and seasonal influence. | | |
|---|----------------------|--|
| Serve size dependent on usage or application | Approximate per 100g | |
| Energy | 1506 kJ | |
| Protein | 10.5 g | |
| F <mark>at, total</mark> | 1.0 g | |
| - saturated | 0.1 g | |
| Carbohydrate, total | 72.8 g | |
| - sugars | 1.8 g | |
| Sodium | 5 mg | |

Nutritional Information (Typical only)

Compiled from raw material specifications and panel

Genetic Modification:

To the best of our knowledge, this product is not produced from genetically modified grain or other materials. No GM labelling is required.

Country of Origin:

Product of Australia (100%).

Packaging:

(a) Pack size 25kg White woven poly bag, folded and sewn top

Pallet 48 bags – 1,200kg

(b) Pack size 1000kg White woven poly baffled bulk bag, tied top and bottom

Pallet 1 bag – 1000kg

Big enough to matter, small enough to care...

BEN FURNEY FLOUR MILLS PTY LTD

PRODUCT SPECIFICATION

Product Name: Clean Wheat

Code: GR-CLWH25 / GR-CLWH1000

Batch Identification / Traceability:

Batch equals Best Before date in reverse format YYYYMMDD stamped on base of each bag as below.

Read as Batch 20241016; Beat Before date 16/10/2024 (Manufacture date 16/04/2024)

Shelf Life:

To preserve product quality, cool dry storage at ambient temperature avoiding temperature fluctuations where possible with regular inspection and stock rotation is recommended. As flour and grain related products are attractive to a range of insects and rodents, effective pest control and GMP are required as post delivery storage is outside the control of Ben Furney Flour Mills.. Our recommended shelf life for this product is 6 months under these recommended conditions, however no responsibility will be accepted for infestation or mould once product has been accepted into customer storage if not reported at or within 7 days of receipt.

Transport Conditions:

To be transported in food grade vehicles at ambient temperatures away from moisture and strong odours. Avoid exposure to direct sunlight as this may create temperature fluctuation and product sweating.

Microbiology Guidelines:

Clean Wheat is a minimally processed agricultural ingredient and as such is not a "Ready-to-Eat" food. It is therefore not intended to be eaten raw and as such complies with general food microbiology standards only. No specific standard applies to this product. Microbiology is monitored on a HACCP random validation basis only not by batch.

Metal detection:

Magnets in line - 10,000 Gauss

Valid Certification or Product Claim

| | Suitable | Certificate available |
|---------|----------|--|
| HACCP | Yes | Yes |
| Kosher | Yes | Yes - Pareve (No Kosher symbol required) |
| Halal | Yes | Yes |
| Vegan | Yes | No |
| Organic | No | No |

Disclaimer

Whilst every endeavor has been made to provide accurate information Ben Furney Flour Mills makes no warranty and accepts no liability either written or inferred that the results will be free from error, or if used, will ensure compliance with the relevant requirements of the Food Standards Code or other legislation. You should carefully evaluate the accuracy, completeness and relevance to your own purposes.

As this product may be used in different applications or under conditions very different from what may be considered typical, the Customer must satisfy itself that the product is fit for the Customers purpose. Ben Furney Flour Mills gives no warranty as to the fitness of the product for any particular purpose other than compliance to this product specification.
