Water Activity	≤ 0.69	N/A

Packaging description:	Multi-wall paper bag with inner polyethylene liner and sewn closure/woven polyethylene bag with sewn closure (25kg), or in a food-grade pouch with sealed closure (500g / 1kg). No staples, wire closure or castrating rings to be used.
Traceability comments:	
Delivery temperature:	Delivery temperature is ambient temperature.
Pack size:	25 or 1 or 0.5kg
Storage and shelf life:	Before opening, the product should be stored in ambient conditions. Additionally, store in a cool, dry place, away from direct sunlight. If stored as advised, the shelf life in original, unopened packaging should be 18 months from the date of production. 12 month shelf life for 1 KG or smaller pack sizes

The information contained in this specification is based on data considered to be accurate and reliable as at the date of the specification to the best of the supplier's knowledge and belief. It is user's obligation to determine the safe use of the product for its own applications or suitability for use since the conditions of use, handling, storage and disposal are beyond the supplier's control. The user should therefore take all necessary precautions to ensure the safe and suitable use of the product described in the specification.
